Westminster Church Fair.

Westminster people have been throwing themselves heart and soul into the management of a three night fair this week. Tuesday and Wednesday evenings witnessed a large attendance, which of course indicates a ready disposal of wares and accordingly an encouraging influx into the various tills of the attractive booths which are always richly worth remembering when the people of the above mentioned church see fit to hold a sale in their pretty gothic chapel.

In anticipation, perhaps of the opening season, the decorations were in accord with the idea of the spring foliage, and the ever welcome warm shade was in every instance mingled with graceful folds of white draperies.

The usual number of attractions was skillfully laid out for the temptation of the admiring throng. Carefully displayed in the manner most seductive to the lover of sweets: flowers and art mingling in happy miscellany; the indispensable collection of fine embroideries on linen, without which the up to date fair is incomplete; stationery, including a judicious and timely supply of Easter novelties, not forgetting the necessities of life—a well stocked grocery department.

The lemonade well, another point of enjoyment indispensable to the juvenile heart, was there also. One parting reminder of winter in the form of snow balls of cotton was also in evidence, each of which contained a number which finally led to a suitable price for each purchaser. A Mother Goose market, presided over by the members of the mission band, was an interesting example of the manner in which old-time favorites among the nursery rhymes may be turned to financial account on such occasions.

If there could be one feature of the fair which out-ranked the others in drawing power perhaps it might be designated as the department devoted to the reading of palms, as the fair readers of lines was besieged continually during the entire season by curious patrons and was obliged to make engagements ahead for Friday evening.

Instrumental music has been one of the pleasant features of this fair. The new piano recently purchased by the ladies was in use. On Tuesday evening Prof. Wm. Maier rendered some instrumental music in his usual pleasing manner, and on Wednesday the Mozart Club added to the pleasure of the occasion.

The supper room was in charge of the King's Daughters. It was provided with small tables decorated with white carnations and ferns. Artistically decorated menu cards set forth the appetizing list of cold meats, oysters, salads, ice cream, etc., which might be had at reasonable charges.

Thus far the undertaking has been a success and the profits of Friday evening are anticipated hopefully.

"Naughty Glen Ridge seems to have gone and done" it again. Or did that pestiferous appeal originate exclusively this side the Borough line? Wait till the bottom facts come out. The one thing certain is that the township will be some thousands of dollars better off with the city election knocked out with one blow, fair or foul. Now what is needed is a Township Committee composed of men who can straighten things out.

Assembly bill No. 359, which Mr. Skinner introduced on Monday, prevents the incorporation hereafter of boroughs except by special act of the Legislature. It has become a law. Another bill has been passed which provides that cities can only be created by act of the Legislature. That is virtually a repealer of the city district law, that has cost Bloomfield no one knows how much expense and trouble.

The Bloomfield Township Committee held a meeting last Saturday afternoon and after a long conference decided to recommend, subject to the approval of citizens meeting, to be held in Central Hall, Tuesday, April 7, the following appropriations to be voted for at the town election to be held Tuesday, April 14. Roads, \$5,000; police, \$4,000; fire purposes, \$3,500; public grounds, \$750; crosswalks, \$250; contingent, \$10,000; water, \$5,000; street lighting, \$8,000; Memorial Day celebration, \$100; firing salutes on national holidays, \$30; sewers, \$4,500.

To make splendid lawn mowers. Lawn Mower. S. Peloubet is it.

GLEN RIDGE NOTES.

The Ladies' Vocal Club will give their second private concert on Friday evening, April 17, in the Glen Ridge Congregational Church, and will be assisted by the following artists: Miss Helen Sherman, contralto, and Mr. Gwilyon Miles, baritone, from the Second Colgate Reformed Church of New York City. A dance in Glen Ridge Hall will follow the concert and a very pleasant evening is expected by all those who are fortunate to hold a membership ticket. Any who are not members but are desirous of becoming members for this concert may secure tickets by sending their names to the Treasurer, Mrs. A. R. Pearson, Glen Ridge, before the 15th of April.

The Kindergarten department of the Glen Ridge schools have found it necessary to have quarters more suited to the needs and has been fortunate in obtaining the use of the Glen Ridge Hall. The Kindergarten will therefore have its present quarters on Snowden street upon the expiration of the present lease, April 1st, and thereafter its sessions will be held at Glen Ridge Hall adjoining the school. The School Board and also the residents of the Borough are to be congratulated upon this change of location.

At the meeting of the Montclair Town Council Monday night, Halsey M. Barrett, representing the North Jersey Street Railway Company, submitted an ordinance containing the conditions upon which the company would build and operate a trolley road on Bloomfield Avenue, from Glen Ridge to Verona. Among its provisions were rates of fare within the limits of the town, five cents; to Verona, fifteen cents; to Bloomfield, five cents; to Newark, ten cents; return trips at same rate. No transfers in Newark were offered.

Councilman Porter has returned from Hot Springs, N. C. Mr. Porter will remain there until the latter part of next month.

The house on Snowden Place, now used for school purposes, has been rented to Warren Pancoast.

Mr. and Mrs. Polhemus Lyon and Wil-son D. Lyon are expected home from South Africa in May.

Rev. Edward Judson in Glen Ridge. The Rev. Edward Judson, D. D., of the Union Methodist Baptist Church of New York City, will give evening next week, Saturday, April 5, at 8 o'clock, in the Glen Ridge Congregational Church, conducting evangelistic services in the wise and conservative way which has made him so uniformly successful in this work. Dr. Judson is well known and is greatly loved throughout this region; where he has preached frequently.

The music for these meetings will be sustained by a male quartette from Union Theological Seminary, New York City. The services will be bright, helpful, inspiring and all efforts directed to be present. Services begin on Monday evening, March 30th, and close on Friday evening, April 3d, Good Friday.

Services at Christ Church. The "Three Hour Service" in commemoration of the crucifixion will be held in Christ Church on Good Friday, April 3d, from 12 M. to 3 P. M. The service will commence with the singing of "The Story of the Cross" and will be followed by addresses on the "Seven Words from the Cross." A hymn will be sung before and after each address, during the singing of which those who are unable to be present during the service may enter or leave the church. Only those who have attended this service can realize its solemnity and impressiveness.

The Rev. Alexander Mann of Grace Church, Orange, will preach in Christ Church on Wednesday evening, April 1st. Service commences at 8 o'clock.

Young People's Christian Union.

TO HOLD A GOOD CITIZENSHIP MEETING.—O. L. ALDERMAN TO SPEAK.

For some years past the young people's societies of the Evangelical Church of this town have had a union, the main object of which has been to hold union young people's prayer meetings in connection with the quarterly preaching services of the Evangelical Union.

At a meeting of the delegates of the societies held Sunday afternoon, March 23d, a more perfect union was formed and the name "Young People's Christian Union of Bloomfield, N. J.," adopted.

A meeting under the auspices of the Union in the interest of good citizenship will be held Monday evening, April 6th, at 8 o'clock, in Westminster Presbyterian Church. The Union has been very fortunate in securing as the speaker of the evening Col. Alexander Bacon, the well known Brooklyn lawyer. He is probably best known as the man who served the writ upon the notorious John Y. McKane at a Grand Jury, Long Island, in 1893, bringing to justice the perpetrator of great election frauds. Col. Bacon has a high standing in the legal profession and is a forcible speaker. The citizens of Bloomfield should take this opportunity to rally in the cause of good citizenship.

Obituary.

Mrs. Caroline D. Davis was stricken with paralysis early Sunday morning and died the same day. Mrs. Davis was the widow of the late Joseph A. Davis, M. D. She was a member of the First Presbyterian Church, on Thomas street, where a funeral service was held on Monday afternoon, March 24th, at 2 P. M. Mrs. Davis was 79 years of age. She was born in England and came to this country when a young man.

CYCLERS' COLUMN.

L. A. W. Items and Wheeling Gossip.

All communications for this column that are received by the Cycle Editor before Tuesday noon will receive prompt attention for current items.

Cyclists will rejoice to join the League of American Wheelmen which will application blanks at local agent F. T. Camp's home, No. 167 Broad Street, the office of this paper, the Cycle's club, American house, and A. Leithner's residence.

"A glance at the calendar continues to us shall soon pass from the grip of the cool man into the grasp of the ice man. Nature, the gentle nurse, who tenderly lingers on from the refrigerator to the Turkish bath. A study of recorded conditions that have prevailed during past summers leads to the conclusion that the coming summer may be warm. Heat robs the earth's surface of moisture, and dry earth begets dust, and dust, begets sprinkling carts, and sprinkling carts beget war. And yet a sprinkling cart is not inherently, hopelessly wrong. It can be reformed. A 'Society for the Reclamation of Wrong-minded Sprinkling Carts,' composed of gentle but persuasive spirits, who will woo the erring hater into the dryer paths of common sense and happiness, are asked. Consider the gorgeously painted wagon of the street; it loathes its load but it beats its big drums but for real deviltry it compares with the sprinkling cart about as Concord, Mass., does with Cripple Creek, Colorado. A reformed sprinkling cart, a noble and inspiring sight, as it moves along a thirsty street, quelling the dust with the gentleness of the dew, rather than the disastrous down pour of the deluge. Figuratively speaking we need more Presbyterian carts that believe in the saving grace of salvation, rather than so many Baptist ones that think salvation comes easy for the sprinkling of a dusty street. The sprinkling cart whose action produces a happy medium between dust and mud, will find a warm place in the hearts of the American people. The trouble with the average sprinkling cart is that it never runs but it pours." In a reformed sense a sprinkling cart is a blessing. It is not its use but its abuse that works evil. The man who drives a cart should not do his thinking with a liver pal. He should be a bright man and hence a bicyclist, and a member of the L. A. W. The city village fathers who employ him should be really living in the present rather than amid reminiscences of the past. They should make proper laws and regulations to be properly observed. That is what they are doing in some places."

The lobbyists for a trolley company are now trying to have a bill passed by the Legislature of New Jersey allowing them to construct a trolley line on the new boulevard which runs through Hudson County. This line would extend from the Bergen Point shore of the Kill von Kull to the Fort Lee shore of the Hudson River, and is barely completed at the latter end. It cost the taxpayers something like \$5,000,000 and now efforts are being made to ruin the thoroughfare with a trolley line.

The local wheelmen are already up in arms against the passage of the bill, besides many citizens and improvement associations. The property owners along the boulevard will also be heavy losers if the bill is passed. During the past few years prospective buyers of real estate have been looking for sales along the great thoroughfare, and the values have increased at a surprising rate.

Frank G. Tower has been appointed by the Chief Constable as State Representative of the New Jersey Division of the League of American Wheelmen. Mr. Tower's District comprises Franklin, Belleville, Nutley, Rutherford, Glen Ridge and Bloomfield.

W. C. T. U. Gospel Temperance meeting will be held in their hall next Sunday at 4 P. M. D. Mac Coll MacGregor, of New York, the Sunshine Bible Man, will give some of his original recitations on "Sunshine Work" and will illustrate how to teach the Bible by music. Mrs. M. G. Baldwin of Orange, will address the meeting on the subject of temperance. All are cordially invited.

Mrs. Easton's address will be postponed until April 7th, on account of revival services in the Baptist Church.

Local League of Temperance school next Thursday at 3:30 P. M.

Grand stereopticon entertainment, magnificent pictures with song and recitation suitable to each passing picture, something entirely new, never before seen in Bloomfield, in W. C. T. U. Hall, Wednesday evening, April 8th, at 7:30. Adults' tickets, 35 cents; children's tickets, 15 cents. Proceeds for the benefit of this Union. Tickets are now out on sale.

B. C. & A. A. Team 3, Captain Lake, and Team 5, Captain Snodder, bowled two games on Monday night in the local bowling tournament. Captain Snodder played with four men and his team was defeated in both games by Captain Lake's team.

The six games of the Associated Cycling Clubs of the New Jersey bowling tournament will be played the first week in April. The Committee held a meeting at the club house on Wednesday night and decided to play the games in the club house of the Jersey City Athletic Club. Each team will play two games and the aggregate of both scores will determine the winner. Three clubs are tied for first place, Tourists of Paterson, Atlantes of Newark and the Bloomfield cyclists' team. The games will probably be played next Friday, April 5th.

Frank G. Tower has increased his high scores for the month of March to 230.

Team 4, Captain F. B. Biddulph, and Team 6, Captain J. H. Hardesty, rolled two games last night in the local tournament. Team 4 won both games.

A complaint of cruelty to animals was made by Constable Hummel before Justice Post on Tuesday, against John Barnett, the contractor. Constables Foster and Hummel removed four barnyard horses from the old barn on the Miller property near the Watkinson station. It alleged that the animals were almost starved and were suffering from a disease of the skin. Colonel Edwards, of the society for prevention of cruelty to animals, was notified of the case. Barnett appeared before Justice Rapp Wednesday morning, pleaded guilty and was fined \$10 and cost.

with severe pains across my shoulders, and great distress. I had violent nausea which would leave me very weak and faint, difficult to get my breath. These spells came oftener and more severe. I did not receive any lasting benefit from physicians, but found such happy effects from a trial of Hood's Sarsaparilla, that I took several bottles and soon to always kept it in the house. I am now able to do all my own work, which for six years I have been unable to do. My husband and son have also been greatly benefited by Hood's Sarsaparilla—for pains in the back, and after the grip. I gladly recommend this grand blood medicine."
